Registration and Forms

Registration

Registration can be completed online at campicaghowan.org, by calling the YMCA Customer Service Center, or by downloading a registration form on our website. Camp will send you confirmation within three weeks of receiving your registration and deposit. The balance for your session is due May 1, 2024, unless you have a pre-approved payment plan established with the Customer Service Center.

Changes and Cancellations

Call the Customer Service Center if you need to change or cancel your registration to camp and they can walk you through the process. **No refunds are available for cancellations after the payment-in-full date.** Camp session change requests received one month or more prior to the session start date will be made, pending availability, and assessed a \$25 change fee. Campers who do not show up to a session will not receive a refund. Program deposits are non-refundable and non-transferable. No tuition adjustment will be made for late arrival, early departure, or dismissal from camp. No adjustment to registration cost will be made for campers who are tardy, absent from camper days, restricted due to disciplinary reasons, or inability to manage pre-existing conditions, current illness/injury* or dismissal.

**If your camper is experiencing a physical/mental illness or injury prior to the session and it prevents them from participating, a medical provider will need to provide proof of illness or injury to consider a partial refund. If you pay in full, refunds will only be eligible until May 15.*

Y Adventure Programs cannot refund payments when sessions are cut short or canceled due to circumstances beyond our control. These may include, but are not limited to, wilderness area closures, forest fires, flooding, or other climate and environmental hazards that would prevent us from providing a safe and meaningful experience for all participants.

Camp Store

If you would like your camper to shop in the camp store, please purchase a gift certificate **prior** to their arrival. These are purchased in your online YMCA account. Gift certificates can be used toward any YMCA program, membership, or camp experience. Certificates can be redeemed at any YMCA of the North locations, are transferrable, and never expire. Gift certificates can be used toward camp store merchandise during your camper's stay at camp. Any remaining balance will remain in your account.

Health and Safety

Icaghowan campers are well looked after. All our counselors are certified in First Aid and CPR at minimum and are supported by a health professional (an RN) and supervised by our consulting physician. We are 15 minutes from the Amery Regional Medical Center for emergency care. We will treat bumps, bruises, and scrapes, and will be in touch with you if anything else comes up. We always call come if an injury or illness impedes a camper's enjoyment of camp.

Medication

All medications must be turned into Icaghowan Health Services upon arrival. Medication must be in the original container and include dosage, frequency, and camper's name. Please place the original container in a Ziploc bag.

Please do not send any over-the-counter medications unless your camper needs something very specific. We have these well stocked and can provide them as needed.

Insurance

Please ensure that your camper's medical insurance is included on their CampDoc profile. If you have difficulty loading it to the website, we can make a copy during check-in. Every camper must have medical insurance to participate in programming.

Health Profile and Health Exam

Illness or injury while at camp – When we will contact you.

Despite our best efforts to provide a safe experience for your camper, we are in the outdoors and really active. Sometimes campers get sick or injured while at camp. Here is what to expect from us for communication from us regarding your campers health and wellbeing at camp.

Tier 1 – Bumps, cuts, slivers, scrapes, upset tummy, headache. You will not likely hear from us. Our first-aid trained staff and/or health care providers on-site will provide care. Campers are able to quickly rejoin activities. We will document the care and monitor for conditions. If conditions worsen, we will contact you.

Tier 2 – Illness or injury requiring over-the-counter medication: We will contact you to get authorization to administer medication. This may look like tummy aches and headaches that aren't getting better with rest, hydration, or food. This may also include cuts, scrapes, or injury that while can be managed by our health care team per our standing orders, we would like you to be informed and participate in the care plan for your child.

Tier 3 – Illness or injury requiring medical treatment outside of camp: We will contact you immediately if your child is sick or injured to a point that they will need to go into the clinic or hospital. We are located 15-minutes from the Amery Medical Center which is part of the Health Partners network. They are our primary clinic. During the work day, we can schedule appointments and in partnership with you, get your camper to clinic. After hours, the option is the emergency room. Again, we will contact you to determine the care plan for your camper.

Tier 4 – Emergency medical condition: We will call 911, then contact you. Should an emergency occur with your camper at camp, we will first call 911, then contact you immediately. These calls may happen synchronously as our staff are available. We will go with your camper to the hospital and stay with them until you arrive.

Life at Camp

Cabins

Campers spend their session with two counselors and a group of other campers in a cabin. Our counselors are well-trained, love their jobs, and can't wait for campers to arrive! Our cabins are split into two units, called the Venture Unit and the Wilderness Unit. Campers are assigned based on age and gender preference. Each cabin has an average of 10 campers and at least 2 counselors.

campicaghowan.org

Friend/Buddy Requests

We try our best to honor at least one friend request. Families can complete a friend request within their registration to be in a cabin with 1 or 2 friends, within a 2-year age range. We cannot guarantee friend requests with more than 2 friends, or outside of the age range.

Food

Icaghowan campers eat very well; our kitchen takes great pride in providing a tasty, well-balanced diet. If your camper has dietary restrictions or allergies, please make a note of them in your camper's CampDoc profile and on their registration. If needed, we will follow up with additional questions. We have an oatmeal or yogurt bar and cereal bar available with breakfast every day. In addition, we provide a salad bar for each lunch and dinner.

Homesickness

For many campers, a week away at Icaghowan will be the longest they've ever been away from home. This challenge can be understandably significant for both campers and families. Icaghowan counselors and staff are trained in coaching campers through their camp experiences, and we believe that overcoming the challenge can be an opportunity to build resilience and confidence. We encourage camper families to share positive encouragement and acknowledgement about the length of time away from home before your camper comes to camp. It is helpful if your camper has spent more than a night away from home in the past – sleep overs, staying with family, etc., are a great way to build the ability to overcome homesickness. We also recommend sending along some stationery, envelopes, and stamps so your camper can write letters home! Should your camper experience extreme homesickness – our strategies are not working – we will call you to engage in a plan that can help your camper be more at ease.

Risks at Camp

Camp Icaghowan is a member of the American Camp Association, meaning we are rigorously held accountable to over 300 pages of standards regarding health and wellness, transportation safety, aquatic safety, and more. These standards ensure that we have the best practices in place regarding ticks/insects, sun exposure, hygiene, water safety, bullying prevention, staff medical training, and much more. Nonetheless, like all experiences in life, camp is not risk-free. We simply cannot guarantee that no harm will befall a camper. Please refer to our waiver here: campicaghowan.org

campicaghowan.org/forms_publications/ if you would like to review our indemnification policies.

Please see above for our communication practices as it relates to the health and wellness of your camper.

Camp Activities

Campers will experience a variety of activities during their camp session. At the beginning of the week, campers will sign up for activities that they'll do at camp. Each camper will choose different activities to do during the afternoons, and one activity that they'll do every morning. We call these morning activities "Progressives," because by doing the same one every day, campers get to progress and grow in their skills and knowledge. In addition to the activities campers choose individually, cabin groups do activities together every day, which gives the cabin group more time to bond!

Activities campers may participate in include: Target Sports, Climbing, A-Field (sports/games), Swimming, Aquajump, Boating, Arts & Crafts, Nature, Shelter Building, Swamp Stomp, IC Newsletter, Nature Hike, 9-square, Gaga, Talent Show, Campfires, Basketball, Team Building, cabin activities, camping, outdoor cooking, Special Day, All-Camp Games, skits, small group games, and large group games.

Overnights

Every cabin group (except our teen programs and samplers) will head out on an overnight with their cabin during the week to one of the campsites on our property. Campers either canoe or hike to their overnights and get to stay in a platform tent by the lake, in a treehouse, or in a yurt. Campers learn basic camping skills and find fun in the forest, in addition to having an opportunity to do something new and challenging.

Please note that these experiences are weather dependent.

Waterfront

campicaghowan.org

Each camper's swimming ability will be assessed prior to their first waterfront activity and personal floatation devices are always worn by campers and staff during all boating activities, regardless of experience. Campers who do not pass, or wish to not take the swim assessment, are required to wear a life jacket regardless of the section they are swimming in. All campers in swimming activities will receive a wristband identifying their swim section.

We use a buddy system at our waterfront. All campers will be assigned a buddy for their activity and buddy checks will happen while they are swimming. Campers are provided an orientation to this each time they got to the waterfront

Our Waterfront and all aquatic activities are staffed with certified lifeguards who have the waterfront module completed.

It can be nice to wear water shoes due to rocks and seaweed at our waterfront!

Communication

Campers may not have cell phones at camp; the ability to contact home tends to feed feelings of homesickness and inhibits cabin integration. Being without their cell phones also offers campers an opportunity to better engage in the natural environment offered at camp. If you want to stay in touch with your camper, you can send a letter or care package; we do ask that you limit food, as it can attract unwanted furry guests to the cabins!

You can mail letters and packages to:

(Camper Name) and (Session Start Date) c/o YMCA Camp Icaghowan

899A 115th St

Amery, WI 54001

You can also bring mail to Camp or to the bus stop when you drop your camper off. We will deliver it to them during the week and you'll save on shipping!

CODE OF COMMUNITY

Y of the North Overnight Camps strive to develop young people's respect for self, others, and the environment by providing opportunities to experience nature and community building in a safe and positive space.

We expect that all members of the camp community will behave maturely, responsibly, inclusively, and respect the rights and dignity of others. All actions at camp should reflect the YMCA Core Values: Caring, Honesty, Equity, Respect, and Responsibility.

For everyone to have a positive experience at camp, you/your camper agree that you will NOT engage in the following behavior while at camp:

- Use of abusive, discriminatory, or vulgar language, name-calling or shouting at others in anger
- Physical contact with another person in an angry or threatening way
- Sexual innuendo or sexual behavior that intimidates or offends others
- Exclusivity towards others
- Harassment or intimidation by words, gestures, body language or any other menacing behavior
- Theft or behavior which results in destruction of property or the natural environment

campicaghowan.org

Behavior Expectations and Accountability

Our staff will work with all campers who demonstrate behavioral challenges while at camp. In the case that we are not able to find a solution, Y of the North Camps reserve the right to dismiss any camper who does not follow the respectful behavior expectations as outlined above. In the event that a camper is asked to leave, there will be no refund of session fees and the parent or guardian of the camper will be held responsible for the camper's early transportation home from camp.

Diversity and Inclusion

It is the YMCA of the North's vision to serve relentlessly with our community until all can thrive in each stage of life. At Camp Icaghowan we are committed to ensuring that "all" really does mean all; we gladly welcome campers of all backgrounds, walks of life, identities, and genders. We cherish diversity and want to make sure all feel enthusiastically at home at Camp Icaghowan.

Please contact us if you have any perspective about your camper that may help us support them while at camp.

Bullying Policy

At Y of the North Camps, bullying is inexcusable, and we have a firm policy against all types of bullying. Each camper is expected to treat all other campers with respect and help each other achieve the best possible experience. Failure to meet Y Camp's standards of respectful behavior may result in communication with parents/guardians for assistance and potentially the dismissal of the camper. Our leadership addresses all incidents of bullying seriously. We train all camp staff to identify bullying and to promote honest communication between themselves and campers. Our goal is to work together as a team to ensure that campers gain self-confidence, make new friends and go home with fond memories of their camp experience. Campers are strongly encouraged to report bullying to their counselors, unit leaders, or any camp staff, including the camp directors. Our staff are trained to be diligent to mitigate bullying, but we don't see everything. Reporting is key to the prevention and correction of bullying behavior.

Packing: Traditional Camps

The following is a suggested packing list for a week of traditional camp; decrease for shorter stays and increase for longer ones. Please do not send your camper's best clothing, as camp activities are outside and rugged. Pack items and clothing that can get wet and dirty. **All items should be clearly labeled with your camper's first and last name.** Camp Icaghowan is not responsible for lost, stolen, or damaged items.

In fact, most Icaghowan staff pride themselves on taking care of old gear and using it until it's worn out. Can't find it? Just ask! We have some gear you can borrow!

Lost and Found

We display our lost and found as we accumulate it for campers to see and parents to peruse on pick-up day. If you return home and realize you have left something, email us and we'll work to find it: info.icaghowan@ymcamn.org
